

Parente

PIZZERIA • RISTORANTE

TONY PARENTE ENSURES THE **BEST QUALITY & THE HIGHEST STANDARDS** ARE GUARANTEED WITH HIS ATTENTION TO DETAIL & **OVER 41 YEARS EXPERIENCE** MAKING PIZZA!

All Parente staff making pizzas wear gloves to maintain a high level of hygiene. The gloves are changed after making certain pizzas to avoid cross contamination e.g. seafood. Strict control is used for gluten free and vegan customers.

FLOUR

We use imported flour from Italy and make our own pizza pastry on site. The Italian quality flour makes a big difference at twice the price of local flour.

SAUCE

The Italian tomatoes have a lower acidic level and are naturally sweeter. We then brew our own Napolitano sauce, adding the fine Italian herbs.

LEG HAM

We currently use boneless low fat leg ham.

VEGETABLES

All our veggies are local and fresh. We do not use blenders or automated slicers to slice our products. All our vegetables are hand sliced to avoid bruising.

DISHES

We have a qualified chef who prepares and cooks your meals. Qualified chefs are trained in food science and in hygiene providing well balanced meals. We also use imported Italian Pasta.
